

# CATERING

Business meetings, fundraising events, rehearsal dinners, birthday parties or baby showers – we specialize in making any occasion a very special event. Start by working with our staff to plan your menu. Our most popular catering options are:

- **Boxed salads, sandwiches or entrees**
- **Trays of sandwiches or wraps**
- **Salad bar with your choice of chicken, shrimp or salmon**
- **Hors d'oeuvres**
- **Chef-attended carving stations**
- **Buffets you create from our menu options**

We're always happy to bring our delicious meals and quality service to you. Consider taking advantage of our semi-private event space with room for up to 80 people. Depending on the timing of your event, our main dining room may also be available.

Please contact our Restaurant Manager Joel Blackburne to book your event.
